Attention: Bonnie Lyon

My greetings to you. I am Mr Mario Donovan; I work as a financial consultant here in Spain. I have a business proposal that I wish to present to you. I am contacting you in regards to my deceased client, who died of a heart attack. In the year 2008, before his death, he deposited the Sum of (**\$16,000,000.00.USD**) **Sixteen Million United States Dollars**, in a Bank here in Spain. He had no will with the bank, or outstanding instructions in regards to this deposit before his death.

After his death, the bank have informed me as his Consultant representative here in Spain, to inform his family members or relatives to come forward for this claim.

I have carried out every efforts, to find his family member or relatives. However, because of the new banking laws here in Spain, a lot of reform has been made within the Spanish Banking system; this includes the new law on abandoned deposits/claims which indicates a duration in which such deposit can be tolerated. For this reason I decided to contact you to present you as the next of kin family representative to my deceased client since you bear the same surname with my late client.

After my discussion with the head of the accounts department of the bank, I should present someone as the family representative for this claim. After a period of time the bank will confiscate this deposit and the top bank directors will share the deposit among them self's, since nobody is coming for it.

I have put in place all necessary documents concerning the release of this deposit funds, and it is my intention to introduce this opportunity to you. Since my late client died without leaving any instructions before his death, and he told me in confidence that nobody else knows about this deposit. He lost his wife 2 years before his death and they had no children.

I will prepare all the legal documents that will prove you as the family representative. Upon your acceptance to cooperate with me, I agree that 50% of this deposit money will be for you as a foreign partner, while 50% will be for me. For **Security & Confidential** reasons I **strongly** advise that you contact me immediately after you receive my fax. You should get in touch with me with your contact details, Full Name Private Telephone and Fax Number and your Email Contact. Once I receive your contact details, I will get back to you with more details and next step on how we will proceed with this claim.

In conclusion, it's my utmost concern to demand your ultimate honesty, co-operation and confidentiality. I **GUARANTEE** that this process will be executed under a legitimate arrangement that will legally protect you from any breach of law.

Thank you and I urgently look forward to hear from you.

Yours, Sincerely,
 Mr. Mario Donovan,
 Financial Consultant.
