*Dear Friend,*

*I would like to introduce our company, we are a local cleaning service family owned and operated. We are not a franchise company. We work hard for our customers and for our reputation. We take pride in every client we have and we always go the extra mile to stand out among the other cleaning services in our community. We truly care about each and every customer we have. I would like to offer our services to help provide a Cleaner atmosphere for your clients. Please consider Acme when choosing your cleaning service provider. Acme Cleaning Service is a very well established cleaning service and we have been in business for over 28 years. We offer many services including Cleaning office buildings, medical buildings, museums, Car dealership showrooms, foreclosures, trash outs, mold remediation services, construction clean ups, move in move out cleanings and many more commercial services and we services all types of buildings. We are fully insured and bonded and we carry all workmen's comp insurance for all our workers. We set high standards for all our workers and the level of cleanliness they must achieve.*

*We accept nothing less than excellence when cleaning a property.*

*We hope you will allow us to come out and give you a free estimate.*
