PURE

Biomed, LLC

If its snakeoil ... why is it FREE?

NO FDA Menthol Warnings for Burns!

If you're launching a breakthrough pain relief system ... better have thick skin. I've been called Phony, Huckster, Preying on Unfortunates ... not to mention Snakeoil Salesman. Of course, all those names have been levied on me by people who haven't actually tried Reunion Intense Spot Relief, not the Chiro's who accepted our **FREE** sample! Let's be honest, competitors selling "longer than ice" (about 35 min) menthol pain relievers have a significant head start with practitioners servicing people in pain. Playing catch up ain't easy but after professionals like you actually treat a few patients ... **GAME OVER**. That's why I'm offering you a 15-20 application bottle of Reunion ISR ... **FREE!**

Why Game Over? Because Reunion provides instant pain relief and lasts 4-24 hours or longer. And it does so without menthol, capsaicin, drugs or patches. No Rx is required. Because all pain is transmitted through the central nervous system ... Reunion is effective on virtually ANY cause: **neuropathy**, carpal tunnel, muscle pain, arthritis, **shingles/PHN** and many more. Will it mend a broken bone? NO! Will it heal internal injuries? NO! Will it "cure" diseases? NO! But will it shut down pain in minutes if not seconds? **ABSOLUTELY!**

Now, Pure Biomed has announced **Reunion AI** and **HZ** ... potent anti-inflammation and anti-viral **Shingles** relief.

Reunion efficacy equals or surpasses Rx systemic or topical relief with **NO DRUGS ... NO SIDE EFFECTS**. And it's **SAFE!**

If you are using laser or ultrasound, customers are telling us pain relief and the patient experience are greatly enhanced by using Reunion oils with the treatment. Reunion is also amazing as a standalone reliever.

Using Reunion in your practice will put happy faces on your patients and you. Making Reunion products available for home use will provide them pain relief, good sleeping and avoidance of future skin/infection problems when used regularly. Reunion is the perfect complement to your good care ... and a profitable one too!

If you would like a **FREE** bottle of Reunion ISR to check it out for yourself, please contact me and we'll send a bottle to you. Then let's discuss how you can create a Reunion profit center.

I know your Grand Pappy told you "if it's too good to be true ..."
Maybe this time he was wrong. Find out for yourself with no risk.

BLUEGRASS FUNDING

40 Wall Street

28th Floor

New York, NY 10005

Phone: (855) 625-3208 | info@bluegrassfunding.com

Good Afternoon,

At one point one of my team members called you in regards to business financing and at that time you weren't interested, however, we just came out with a brand new business funding product that every business owner is interested in; it's a **Term Business Loan** that matures anywhere between 2 to 5 years. The rates start at 5.95%, however, the majority of our clients are seeing a 12.95% to 18.95% interest rate approval, at a 60-month term. Here is a breakdown of the payments you will most likely get, depending on how much funding you want:

5-year term (60 Months) 14.95% Interest Rate

| | | | |
|------------------------|---------|---------|----------|
| Loan Amount | \$100K | \$250K | \$500K |
| Monthly Payment | \$2,912 | \$7,281 | \$14,583 |

The funds could be used to pay off or consolidate any open loans that you might currently have and net the rest to yourself in cash if you need additional working capital. Unlike cash advance companies, you do not need to net a certain percentage in cash in order to consolidate the high interest, short term, advances that are crippling your current cash flow.

I can put you into a loan product and provide you with the business capital your bank can't. If you have an interest, and would like to learn more about how I can help your business, please call right away and either I or one of my team members will be happy to assist you. Looking forward to speaking with you soon.

Major Requirements: 2 Years in Business, \$500K in Yearly Revenue, 700 Fico
Min. Requirements: 1 Year in Business, \$150K in Yearly Revenue, 500 Fico

Best Regards,
Jeff Coleman
