## Catalytic Recycling Service for the Automotive Repair Industry

Attention: Parts & Service Managers

*Need a convenient way to recycle scrap catalytic converters without having to haggle with the roving scrap collectors???*

### ***We have the recycling program that you need!***

1. Go to [www.SellYourCatsDirect.com](http://www.SellYourCatsDirect.com) and create an account. Once your account is created we will give you access to our pricing catalog.
2. Print out prepaid UPS shipping labels right from your account and give the package with you scrap catalytic converters directly to your UPS driver.
3. Your payment is sent via **Company Check** or **PayPal** within 72 hours of receiving your shipment!

Phone: **877-498-9478**
