If you received this ad erroneously, please fax it back to us with your fax number for removal at 316-733-8136.

Even if for some reason our fax machine doesn't answer you, we still get your fax number on our caller ID and your fax number will be removed.

Please Remove - 316-263-2298

I've tried repeatedly to be removed from this spammer's list. The fax # to respond to "Cannot take my call" and no one answers the phone # or returns calls.

We have an employee that does all building cleaning/maintenance including the items you listed above.
Thank you.
