

America's Best Physicians 2016

You Were Nominated for "Americas Best Physicians"

Congratulations! You have been nominated for the 2016 "America's Best Physicians" directory. Should you qualify, your listing is **FREE** of charge.

Our registry recognizes top Doctors based on superior credentials, experience, exceptional care and commitment to excellence. Your nomination may have come from a patient, a colleague or from extensive research by our selection committee.

All Doctors Selected:

- Average over 3 times the continuing education required by most states.
- Have been highly reviewed online.
- Were chosen by other health care providers.
- Practice full time, with over 4 years of experience.

To accept your recognition, please visit:

www.TodaysBestPhysicians.com

Show Your Patients: We also invite you to consider our stunning recognition plaques, press releases and upgraded listings. These powerful recognition products significantly advance your reputation, heighten your online presence & distinguish you from other physicians.

(Please use **Promo Code 16FB** for **5%** off)

What Other Doctors Have Said:

- "Patients view this award and instantly feel they're in the right place. Your press release has been fantastic!"
- "These plaques are beautiful and give us a major edge over other physicians in our area. Even my staff reacts to me differently."
- "The most powerful, effective marketing you can do."
