We are following up to notify you of a recent review into your business profile. Your company's industry position performed well by our market analysts.

It was determined your business is eligible for a working capital line of credit, equipment finance, or refinance loan. As your current business profile meets our qualifying attributes, you have been **PRE-APPROVED** for \$65,283.74 with opportunity of up to \$300,000.00. If the application is activated within the next 10 days, funds may be wired to the business operating account within 3 days.

Current rates are as low as 3.82% secured. Activate your application within the next 10 days to secure this offer.

Call (800) 656-7063 and MENTION FILE #: 57-4201: expires in 30 Days.

Call the commercial loans team today to review your options.
