Re: You don't have to wait 30-60 days to get paid! Universal Financial is paying cash for your invoices NOW!

Dear ROBERT SCANLON, MANAGER:

If you have been struggling with your current factor, and looking for a better factor, **THIS IS YOUR BEST AND THE ONLY CHANCE TO GET SET UP WITH A DIRECT FUNDING SOURCE!!** As a direct funding source, we can provide the experience you need and the quick turnaround that no one can beat! Apply today and take advantage of our 2016 Promotion. Whether you have \$25,000 or \$5 million in monthly sales, we can design a cash flow solution to fit your needs! **A sale is not a sale until you collect the money!** As a manufacturer, it is a long process before you will get paid!! By the time you get the PO, purchase the inventory, fulfill the order, ship the order and collect the invoice, you can easily be out of cash in 30 days, especially if you have self-financed the whole process!! Through our factoring program, we can provide you with immediate funding on your invoices. Our program includes:

- Advance Rates between 75-95%
- Same day payment posting
- Accounts Receivable specialists
- 24/7 On-line access to view your invoices
- Minimize credit losses

If you are facing uncertainties with existing bank lines, or just need immediate working capital for your business, Please contact us: Tel: 800 971-2815 Fax: 866-242-6336,
