## Pharmacy Tech and Medical Transcription Next class begins Sept. 9th!

### Pharmacy Technician:

Three months to a lifetime career! Our Pharmacy Technician course offers a comprehensive introduction to the knowledge and skills pharmacy technicians need for successful practice. Key areas of concentration include the role of the pharmacy technician in the pharmacy setting, an overview of medications used to treat specific body systems, a breakdown of the different classifications of drugs, and a review of the basic sciences at the core of pharmacy practice. The course involves 160 hours of online training (on your own schedule), and 16 hours of hands-on experience in a pharmacy externship. Walgreen's is now offered as an externship site.

**Hours:** 176 Hours  
**Course Duration:** 3 months  
**Course price:** \$795.00

#### **Books Required:**

*Mosby's Pharmacy Technician Principles & Practice*  
Teresa Hopper  
2<sup>nd</sup> ed, Elsevier, 2007  
ISBN: 978-1-4160-3940-2

*Workbook for Mosby's Pharmacy Technician: Principles & Practice*,  
Teresa Hopper, 2<sup>nd</sup> ed, Elsevier, 2007.  
ISBN: 978-1416037828

### Medical Transcription-Scribe:

This Medical Transcription - Scribe program will show you how to master the fundamentals of medical transcription and meet the challenges of the evolving medical transcription field.

This program delivers proven, practical training in the skills and technology essential to your success, including medical terminology, Microsoft Word for medical professionals, proofreading, editing, speech recognition technology, and more.

**Hours:** 135 Hours  
**Course Duration:** 3 months  
**Course price:** \$795.00

#### **Books Required:**
