

An Important Event brought to your company by the:  
**Employee Awareness Association**

## **Workplace Wellness Workshops**

**760 744-7985 Black Oxide Service**

We would like to offer the opportunity for your corporation to participate in our no cost lunch and learn workshops. Personal development is as important as business development for employee morale and productivity.

There is no cost, obligation or any products sold with our workshops. It is networking for the presenter and the company. The presenter will recommend your company to their friends and colleagues. This is a great way to promote your business at no cost to you! We recommend doing one health and one financial event. Financial stress can be just as debilitating as health problems, and stress causes many health issues.

A local presenter comes to your facility to educate your employees on the topic of your choice. A free sandwich or fruit platter will be provided for all attendees.

There is no work on the event coordinator's part, except to have people show up to the event. We organize all aspects from creating the marketing materials to providing the lunch. The information presented is educational and state-of-the-art. Please choose one preferred date and two backup dates. We can accommodate multiple and worldwide locations. We have done over 15,000 presentations at a diversification of companies throughout the world. Availability is limited.

Our popular workshops include; Financial Literacy, Life Transformation, Living a Healthier Life, Stay Fit While You Sit and Stress Management.

- Achieving Effective Permanent Lifestyle Changes
- Detoxification - Fighting Disease from the Inside Out
- Financial Literacy
- Secure Your Future and Protect Your Family
- The Power of Positive Thinking
- Lowering Blood Pressure and Cholesterol

It only takes a few minutes to schedule an event for your company. Call our toll free number, email [events@employee-aware.com](mailto:events@employee-aware.com) or visit our website.
